

Admission Requirements

Do you have a baccalaureate or master's degree and want to further your nursing credentials by becoming certified in WOC nursing? We look forward to welcoming you into the webWOC Nursing Education Program. Please check the requirements below to ensure you meet the learner prerequisites prior to submitting [your application](#).

- One year of recent (within the past 5 years) clinical experience as an RN. Evidence of nurse refresher course within the past 5 years is acceptable.
- A minimum cumulative GPA of 3.0 if you are seeking graduate-level credits, or a minimum cumulative GPA of 2.5 for continuing education credits.
- RN with a Baccalaureate degree or higher with a major in nursing, or RN with a bachelors in another field.
- Fluency in the English language.

*Foreign transcripts from all degree-granting universities must be submitted to the CGFNS (Commission on Graduates of Foreign Nursing Schools) for verification of education, coursework and calculation of GPA. Please request an Academic Report from the CGFNS International Credentials Evaluation Service (CES) <http://www.cgfns.com/sections/programs/ces/>. A copy of this report should accompany your Learner Application Checklist to meet the 'Transcript' requirement.
